

## 618 NPA (Illinois) Final Jeopardy Procedures

**NANPA has declared this NPA to be in a Jeopardy situation. The final Jeopardy Procedures have been revised based on industry consensus in a Jeopardy review meeting held on May 31, 2022, and codes will be rationed as described below.**

### Lottery Procedures:

Three (3) requests per OCN can be submitted each month. If three (3) Part 1 requests are submitted within the submission timeframe that month, then each request receives a CO code. Any part of the base allocation of three (3) that are not assigned in a rationing month **will** carryover for assignment in the following month.

If more than three (3) Part 1 requests are submitted within the submission timeframe that month, the codes will be assigned via a lottery to take place no later than the 10th business day of the month. Code requests that do not receive a code allocation in the current month allocation will be denied and the applicant must submit a new Part 1 request for a future month's allocation.
